Consider opening your home and your heart to an international exchange student. As a host family, what you offer a high school international student is the opportunity to fulfill his or her dream of experiencing the American way of life. For many exchange students, simple things like going to a barbeque or cheering on a local football team will be new experiences they will never forget. What you offer your family is the opportunity to learn and appreciate different cultures and gain a deeper understanding of human values that unite all nations across the world. Most of all, what you give one another is the warmth of friendship and family bonds that last a lifetime.

As a Host Family You Will:
• Bring another culture into your home
• Feel a sense of pride in sharing your traditions
• Help the exchange student to have a deeper understanding of America
• Change the course of a young person’s life
• Form a lasting relationship with someone from across the globe

Your Student Will Be:
• From one of many countries around the world
• Motivated, enthusiastic, open, and eager
• Interested in any number of hobbies and activities—from soccer to art to hiking
• Excited about becoming a part of your family

INTENSIVE IMMERSION PROGRAM
This program matches a family which is interested in hands-on tutoring with an exchange student who wants to learn the English language. The Intensive Immersion Program is a good fit for teachers, former educators, people who have lived abroad (and had to learn another language), homeschool families, empty nesters, and retirees.

What You Receive:
• Generous monthly stipend
• Support by Menaul School staff
• Training

What You Provide:
• Flexible one, two, and nine month commitments
• A safe and caring environment
• Structure and activities which maximize English acquisition for the student

CULTURAL EXCHANGE PROGRAM
This program is ideal for families who cannot commit to the time that hands-on teaching requires but want the experience of hosting an exchange student. The students who apply for this program usually come from a more diverse group of countries, which may allow the host family more flexibility in choosing an exchange student from a particular culture of interest.

What You Receive:
• A stipend that generally covers meals and necessities
• Support by Menaul School staff
• Training

What You Provide:
• Nine month commitment
• A safe and caring environment
